Application for the Board of Directors Meatpacking District Management Association 2026

The Meatpacking District Management Association (MDMA) is the not-for-profit entity responsible for management of the Meatpacking District on Manhattan's west side — broadly defined by the south side of 17th Street to the north, the north side of Horatio Street to the south, the West Side Highway to the west, and Eighth Avenue to the east.

Annually, the MDMA elects members to its Board of Directors representing the varying commercial, cultural, and residential interests within the District. To be eligible to serve on the Board, one must be a property owner or tenant (commercial or residential) located within the boundaries of the Meatpacking Area BID (see map on page 3).

Email this completed application to hello@meatpacking-district.com by August 26, 2026 to be considered for nomination to the Board of Directors.
