# INDEPENDENT AUDITORS' REPORT

To: The Board of Directors of Meatpacking District Management Association, Inc.

# Opinion

We have audited the financial statements of Meatpacking District Management Association, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of Meatpacking District Management Association, Inc. as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

# **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Meatpacking District Management Association, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Meatpacking District Management Association, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Meatpacking District Management Association, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Meatpacking District Management Association, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Skody Scot & Company, CPAS, P.C.

New York, NY January 13, 2025

#### Note 1 - Summary of Significant Accounting Policies

### The Association

Meatpacking District Management Association, Inc. (Association), a nonprofit organization, was incorporated in the State of New York on November 25, 2015. The Association is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal, state or local income taxes has been recorded. The Association does not believe its financial statements contain any uncertain tax provisions. The Association primarily receives its support from a real estate special assessment levied by The City of New York (City) on properties located in the Meatpacking Business Improvement District (District) and from program service revenue. The District's boundaries are approximately from Horatio Street to West 17<sup>th</sup> Street, between the West Side Highway and Eighth Avenue.

The Association's programs include the following: Sanitation - maintaining clean streets and curbs and providing garbage and graffiti removal; Public Safety - providing increased public security through a combination of uniformed guards and a working relationship with the New York City Police Department; Marketing and Events - promoting the District to residents and tourists and retaining and developing prospective businesses; and Public Improvements - improving the overall appearance of the District by developing and implementing improvements and maintenance.

#### **Basis of Accounting**

The financial statements of the Association have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP) on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### Use of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

#### **Reclassifications**

Certain amounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

#### Note 1 - Summary of Significant Accounting Policies (Continued)

#### **Receivables**

The Association records receivables from program service revenue and contributions. Program service revenue receivables are reported at their net realizable value. The Association evaluates the collectability of its program service revenue receivables at least annually using a current expected credit loss (CECL) model. Under this model, an allowance for credit losses is recorded for the expected lifetime losses on the receivables. This evaluation is based on historical loss experience, current economic conditions, and reasonable and supportable forecasts that affect the collectability of the outstanding balances. Receivables deemed uncollectable are written off against the allowance when it is determined that the receivable will not be collected.

The Association has determined that no allowance for credit losses is necessary as of June 30, 2024 and 2023, based on historical collection rates, creditworthiness of the customers and economic conditions stability.

Contributions receivable expected to be received within one year are reported at their net realizable value. Contributions receivable expected to be collected in future years are reported at the present value of estimated future cash flows. Uncollectable pledges are written off in the period in which the pledge is determined uncollectable. As of June 30, 2024 and 2023, all contributions receivable are expected to be collected within one year and have therefore been stated at their net realizable value with no allowance for uncollectable receivables.

#### Property and Equipment and Intangible Asset

The Association capitalizes certain property, equipment, and intangible assets with estimated lives of two years or more. Property and equipment are stated at cost, less accumulated depreciation and amortization. Depreciation of furniture, equipment, and street improvements and fixtures is computed by the straight-line method over estimated useful lives ranging from three to ten years. When the Association holds the title to any street improvements and street fixtures, the amounts are capitalized and subsequently depreciated. All other street improvements and fixtures and fixtures are charged as an expense. Leasehold improvements are amortized by the straight-line method over the life of the improvement or the term of the lease, whichever is shorter. The intangible asset, consisting of website development costs, is amortized over a three-year period. Expenditures for repairs and maintenance are charged as an expense, and major renewals and betterments are capitalized.

### Note 1 - Summary of Significant Accounting Policies (Continued)

### Lease Liability and Right of Use Asset

The Association entered into a noncancelable operating lease agreement for its office space to obtain a right of use (ROU) asset. The lease liability and ROU asset represent its lease obligations and rights to use the leased asset over the period of the lease and are recognized at the lease commencement date. The lease payments are discounted using a rate determined when the lease is recognized. The related operating lease ROU asset may differ from the operating lease liability due to deferred or prepaid lease payments. The ROU asset is amortized over the lease term. The Association has elected to apply the short-term lease exception to all leases with a term of one year or less.

#### Net Assets

Net assets, revenues, gains and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. This classification includes net assets designated by the board or management for a specified purpose.

Net Assets With Donor Restrictions - Net assets subject to donor (or certain grantor) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature (endowment), where the donor stipulates that resources be maintained in perpetuity.

#### Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities and in the statements of expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Salaries and related expenses are allocated based on estimated time and effort. Other expenses such as depreciation and amortization, insurance, and occupancy, are allocated based on usage. The Association classifies expenses which are not directly related to a specific program as management and general expenses.

#### Note 1 - Summary of Significant Accounting Policies (Continued)

#### Revenue Recognition

The real estate assessment levied by the City is recognized by the Association ratably throughout the year. The City remits these assessments to the Association in two installments (July and January) during the fiscal year and each payment covers the successive six-month periods. Assessment billing errors are recorded as a direct reduction of assessment revenue. Any significant discrepancies due to changes in total amounts assessed are recorded as receivables in the statements of financial position.

The Association recognizes contributions when cash and other financial assets, nonfinancial assets/services, or unconditional promises to give are received. Conditional promises to give, which have a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met. Amounts received prior to the meeting of these conditions are reported as refundable advances in the statements of financial position. At June 30, 2024 and 2023, the Association did not have any conditional pledges that were not recognized.

Contributions are considered available for the Association's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted for a purpose by the donor are reported as revenue with donor restrictions and increases in net assets with donor restrictions. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increases in net assets without donor restrictions. When a restriction expires (either a stipulated time period ends or a purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions.

Program service revenue relates to fees received in exchange for program services and consists primarily of payments related to public plaza and other events, and banner and marketing services. The Association's revenue recognition policies, fee structures, and payment details are as follows for program service revenue:

- Public plaza and other event revenue is recognized as the contract obligations are fulfilled. Fees are based on the standalone prices, and payments are typically made prior to the event, however, in certain instances, payments are made after the event is finished.
- Banner and marketing service revenue is recognized as the contract obligations are fulfilled. Fees are based on the standalone prices, and payments are typically due after the completion of the contract obligations, however, in certain instances, payments are made prior to the contract period.

Any program service revenue received which has not been earned is recorded as deferred revenue.

The Association received an expense reimbursement grant from a government entity, which requires that approved expenses be incurred prior to reimbursement by the government entity. The revenue is recognized in the period the approved expenditures are incurred.

Royalty revenue is recognized by the Association when there is evidence of a sale, lease or transfer of a Chelsea NYC Bench, including any derivatives and improvements. Fees are based on the standalone contract prices and payments are due in the period after the sale or transfer. Any revenue received which has not been earned is recorded as deferred revenue.

#### Note 2 - Property, Equipment, and Intangible Asset

Property, equipment, and intangible asset by major class consist of the following at June 30, 2024 and 2023:

	2024			2023
Equipment	\$	20,093	\$	14,836
Street improvements and fixtures		1,590,371		1,448,122
Leasehold improvements		73,038		73,038
Website development		204,000		204,000
		1,887,502		1,739,996
Less: accumulated depreciation				
and amortization	_(	<u>906,972)</u>	(	<u>566,142)</u>
	<u>\$</u>	980,530	\$	1,173,854

# Note 3 - Lease Commitments and Related Party

During the year ended June 30, 2022, the Association entered into a noncancelable operating lease agreement for office space from an entity related to a board member. The lease agreement was signed at fair market value and is set to expire at the end of April 2027. Total payments to this related party for the years ended June 30, 2024 and 2023, totaled \$132,882 and \$120,592, respectively. As of June 30, 2024, the minimum aggregate annual lease commitments are as follows:

Year ended June 30, 2025	\$	110,880
2026		110,880
2027		92,400
Total lease payments		314,160
Less: prepaid rent	(	10,251)
Less: imputed interest (3.5%)	(	<u>14,618)</u>
Total operating lease liability	<u>\$</u>	289,291

The Association's noncancelable lease expenses for the years ended June 30, 2024 and 2023, are included in the statements of activities and expenses as follows:

		2024		2023	
Sanitation	\$	22,176	\$	22,176	
Public safety		11,088		11,088	
Marketing and events		49,896		49,896	
Public improvements		16,632		16,632	
Management and general		11,088		11,088	
	<u>\$</u>	<u>110,880</u>	<u>\$</u>	<u>110,880</u>	

#### Note 4 - Board Reserve Fund

During the year ended June 30, 2024, the Association's executive committee of the board of directors established a \$3,000,000 reserve fund for future capital improvements and special projects within the District. The board of directors, finance committee, and executive committee can authorize the use of these funds when needed.

### Note 5 - Government Grant

During the year ended June 30, 2024, the Association was awarded a grant by the New York City Department of Transportation for \$15,000. The amount is included as a government grant on the statement of activities for the year then ended.

## Note 6 - Revenue from Contracts with Customers

Detail of revenue from contracts with customers during the years ended June 30, 2024 and 2023, is as follows:

	2024			2023
Public plaza and other event fees	\$	796,239	\$	485,375
Banner and marketing services		288,259		65,370
	<u>\$</u>	1,084,498	\$	<u>550,745</u>
Royalty revenue	<u>\$</u>	52,878	\$	2,802

As of June 30, 2023, a total of \$10,000 was received for banner and marketing services that were not completed by the Association as of year-end. The amount is reported as deferred revenue on the statement of financial position as of June 30, 2023.

The Association's receivables from contracts with customers consist of amounts due for banner and marketing services and public plaza event fees. The beginning and ending balances for contract receivables are as follows for the years ended June 30, 2024 and 2023:

	2024			2023
Beginning balance	<u>\$</u>	5,000	<u>\$</u>	53,750
Ending balance	\$	89,850	<u>\$</u>	5,000

#### Note 7 - Retirement Plan

Effective March 1, 2016, the Association adopted a qualified cash or deferred compensation plan (Plan) under section 403(b) of the Internal Revenue Code (IRC). Under the Plan, employees may elect to defer up to 20% of their salary, subject to IRC limits. The Plan allows for the Association to make discretionary contributions based on the participant's salary. Employees are eligible to participate in the Plan on the first day of employment with the Association. Employees are eligible for discretionary contributions after three months of service to the Association. During the years ended June 30, 2024 and 2023, the Association made contributions of \$16,242 and \$15,502, respectively, to the Plan.

# Note 8 - Concentrations

The Association maintains its bank accounts with financial institutions. The Federal Deposit Insurance Corporation (FDIC) insures bank deposits up to \$250,000 per financial institution. At times, the balances of the accounts exceeded the insured limits during the years ended June 30, 2024 and 2023.

#### Note 9 - Public Plaza License

During 2016, the Association assumed all the plaza activities formerly operated by Meatpacking Improvement Association, Inc. and Chelsea Improvement Company, Inc. In July 2019, the Association established a new agreement with the New York City Department of Transportation under the name of the Association. The agreement allows the Association to collect special event fees, subconcession fees, and sponsorships which will be used to offset the cost of managing and maintaining the plazas. Any excess revenue derived from the plazas will be kept in a segregated interest-bearing Accrual Fund. The Accrual Fund will be used for any future shortfall in revenue needed to provide the services set forth in the agreement. If at any time the Accrual Fund contains more than three times the public plaza budgets, the excess amount of funds shall be used to provide any services and/or alterations in the public plazas. At the end of the term of the license agreement or at termination, the balance of the Accrual Fund shall be used to provide any services and/or alterations in the public plazas.

### Note 10 - Liquidity and Availability of Financial Assets

The Association regularly monitors liquidity required to meet its operating needs and other obligations as they come due. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Association considers all expenditures related to its ongoing activities to be general expenditures. Amounts available for general expenditures over a 12-month period include donor-restricted amounts that are available for ongoing programmatic and support expenditures.

The following reflects the Association's financial assets, as of June 30, 2024 and 2023, reduced by amounts not available for general use within one year because of contractual, donor-imposed, or internal restrictions and designations:

	2024		2023	
Financial assets: Cash Receivables Total financial assets	\$	3,428,212 89,850 3,518,062	\$	2,686,687 80,500 2,767,187
Less those unavailable for general expenditures within one year: Board reserve fund	_(	<u>3,000,000)</u>		
Financial assets available to meet cash needs for general expenditures within one year	<u>\$</u>	518,062	<u>\$</u>	2,767,187

#### Note 11 - <u>Subsequent Events</u>

Subsequent events were evaluated for potential additional disclosures and corrections through January 13, 2025, which is the date the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

# To: The Board of Directors of

Meatpacking District Management Association, Inc.

We have audited the financial statements of Meatpacking District Management Association, Inc. as of and for the years ended June 30, 2024 and 2023, and have issued our report thereon dated January 13, 2025, which contained an unmodified opinion on those financial statements. Our audit was performed for the purpose of forming an opinion on the financial statements as a whole. The schedules of expenses and budget and public plaza activities and budget are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.
